Miss E.B.O.N.Y Ambassadors Charity mission to South Africa

Our campaign to fundraise for our charity mission to South Africa is on going. We have raised £255 out of £5000 budget. first of all we will like to thank those that have donated to this great cause and encourage those that have not supported this mission to please do. We have successfully done a similar mission in Ghana, Nigeria and Sierra Leone. The impact was huge. we were able to empower a lot of young people through skills and donated toys, stationeries to schools and provisions to new mothers.

Donation to this mission can be in cash or other materials as we will be visiting schools, hospital, orphanages and motherless babies home. clothes, shoes, books, toys and non perishable food are needed as well.

For cash donation please visit our gofundme page: Ebony Charity Mission to Mtwalume or Pay directly to our account using your name as reference

MENTAL RESILIENCE WORKSHOPS

Ebony Ambassadors s team will like to use this means to thank all our speakers as seen in the flyers attached to this page. The sessions has been very insightful and empowering. We have received amazing feedback which was the main reason we started this new series (six sessions of mental resilience workshop) after the funding ended.

This event started 2020 at the peak of the pandemic as food distribution and online mental resilience workshop was sponsored twice by the National Lottery Fund.

As said above, this new series is divided into six sessions, three done and we are left with three sessions. Please see dates of the next three session: Saturday 12/11/2022, Friday 25/11/2022, Friday 9/12/2022. Time: 6 - 7.30pm.

For those that missed the 1st three sessions, you can still watch it on our Youtube channel: Ebony Ambassadors UK Pageant or on our twiiter page: @EbonyAmb
